The Nielsen Company, Florence, KY, has applied to the Kentucky Division for Air Quality for a conditional major permit to operate a commercial printing facility at 7405 Industrial Road, Florence, Kentucky. The plant is classified as a conditional major source because the draft permit limits emissions of criteria, hazardous, and regulated air pollutants to less than the Title V major source trigger levels.

and the Boone County Clerk's Office, 2950 Washington Street; Burlington, KY 41005-0874

The division is soliciting comments on the draft permit and affording the opportunity for a public hearing. To be considered, any written comments or requests for a public hearing must be postmarked within 30 days following the date of this notice. Comments and/or public hearing requests should be sent to Mr. Allan Elliott, Section Supervisor at the above Frankfort address. Any person who requests a public hearing must state the issues to be raised at the hearing. If the division finds that a hearing will contribute to the decision-making process by clarifying significant issues affecting the draft permit, a hearing will be announced. All relevant comments will be considered in issuing the final permit. Further information can be obtained by calling Rick Shewekah at (502) 573-3382, extension 316.
